

# Bolt Pride

*The heart of the Chargers' 12<sup>th</sup> man!*

Thank you for representing strong in 2004. Our Chargers gave us a season full of beautiful memories, and the Bolt Pride matched it by stepping up to new heights never seen before to show what Bolt Pride is all about. This is the Bolt Pride Experience, and in 2004 the Bolt Pride Experience was as pure as it gets. Our town ... our team: win or lose ... one season long party – Bolt Pride style!

2004 was another Bolt Pride family affair. Game after game, the Bolt Pride family got larger with each tailgate party and each win. More and more friends got a taste of the Bolt Pride Experience and decided to stick around for the wild Bolt Pride ride. Bolt Pride is not complicated – show up, respect and be respected, have something to add to the party, represent the Bolt Pride way and have a great time. Yes, the season ended too soon, but the Bolt Pride playoff tailgate party was the ultimate Bolt Pride party EVER. Ain't no party like a Bolt Pride party ... and it's a beautiful thing.

Props again to everyone associated with Bolt Pride - you all know who you are - all the families in the Bolt Pride ... and all the Bolt Pride soldiers ... and all the Bolt Pride supporters around the world. Special thanks to the Bolt Pride webmaster for helping us to share the Bolt Pride Experience.

Each Charger season has a beginning and an end, but Bolt Pride goes on year-round. Keep on representing Bolt Pride proudly each and every day, because you're more than Charger fans ... you're Bolt Pride. We can't wait for the NFL draft, mini-camp, training camp, pre-season, NFL kickoff weekend 2005, GTP Reunion II, Vegas IV, another run at the Super Bowl ... and many more Bolt Pride experiences.

Peace,

#1 Alvarez
